She has led many retreats on the theme of ocean stewardship and spirituality. She is a regular weekly volunteer guide at the Monterey Bay Aquarium and docent at Point Lobos State Reserve.

Yonder is the sea, great and wide, creeping things innumerable are there, living things both small and great. There go the ships, and the whale that you formed to frolic in it.

These all look to you to give them their food in due season; when you give to them, they gather it up; when you open your hand, they are filled with good things...

When you send forth your spirit, they are created; and you renew the face of the earth.

May the glory of the LORD endure forever; may God rejoice in God's works

—(Psalm 104:24-31)
